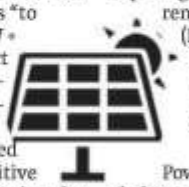
PRESS TRUST OF INDIA
New Delhi, September 2

TATA POWER ON Thursday said its arm TP Saurya has received a letter of award from Rewa Ultra Mega Solar to set up a 330 MW solar project in Madhya Pradesh.

The letter of award (LoA) is "to build 330 MW (Unit-1:160 MW + Unit-2:170 MW) of solar project in Neemuch Solar Park of Madhya Pradesh," a company statement said.



The project has been awarded through tariff-based competitive bidding followed by e-reverse auction, the statement said.

The project will supply energy to the Indian Railways and the Madhya Pradesh Power Management Company (MPPMCL) under a power purchase agreement (PPA) valid for a period of 25 years.

The company has won this capacity in a bid finalised through reverse auction by Rewa Ultra Mega Solar. The project will be commissioned within 19 months from the date of execution of the PPA.

Madhya Pradesh chief minister Shivraj Singh Chouhan, in the presence of Hardeep Singh Dang, minister of new and renewable energy; Sanjay Dubey (IAS), principal secretary; Akash Tripathi (IAS), MD, MPPMCL and other dignitaries, handed over the LOA to Ashish Khanna, president - renewables, Tata Power.

Praveer Sinha, CEO & MD, Tata Power, said in the statement, "We are glad to receive this prestigious order... We have been progressively growing our portfolio of grid-scale solar plants across the country."

With this, the total renewable capacity of Tata Power will reach 4361 MW, with an installed capacity of 2,947 MW and 1,414 MW under implementation.
