Tata Power Solar wins 12th National Award for Excellence in Cost Management 2014

Tata Power Solar, India's largest integrated solar power company, has been awarded at the 12th National Award for Excellence in Cost Management 2014, in the large private manufacturing organization category. The Institute of Cost Accountants of India (ICAI) awarded this is in recognition of Tata Power Solar's efforts towards cost reduction and cost competitiveness. This recognition comes through demonstrating the use of cost management techniques such as marginal costing, standard costing, VA / VE and benchmarking effectively.

Tata Power is India's largest integrated power company with a growing international presence. The company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 8,669 MW and a presence in all the segments of the power sector.
