TPREL signs pact with BoB

NEW DELHI: Tata Power Renewable Energy Ltd (TPREL) has signed an agreement with public lender Bank of Baroda to offer financing solutions to MS-MEs and Commercial & Industrial (C&I) units for solar equipment and projects. Under this partnership, Bank of Baroda will extend financial assistance to borrowers purchasing solar equipment and projects of up to 10 MW capacity through TPREL or its authorised partners, the company said in a statement on Friday. The financing scheme offers a rate of interest starting from 7.75 per cent, collateral-free loans of up to Rs10 crore, Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE) coverage and flexible repayment tenure of up to 120 months. As of August 2025, TPREL has completed over 2.49 lakh rooftop solar installations, achieving a cumulative capacity exceeding 3.6 GWp. Various renewable energy companies have tie-ups with banks to offer lending facilities for solar adoptions.

RENEWABLE ENERGY

Tata Power Renewables Signs MoU with Bank of Baroda to Accelerate Clean Energy Adoption among MSME and C&I Customers

September 26, 2025 / EAI Team

Tata Power Renewable Energy Limited (TPREL) has signed a Memorandum of Understanding (MoU) with Bank of Baroda, one of India's premier public sector banks, to facilitate financing solutions for MSME and Commercial & Industrial (C&I) customers opting for solar energy.

Under this partnership, Bank of Baroda will extend financial assistance to borrowers purchasing solar equipment and projects of up to 10 MW capacity through TPREL or its authorized channel partners. This initiative is designed to help MSME and C&I businesses adopt renewable energy with greater ease, reduce operating costs, and contribute to India's sustainability goals.

The financing scheme offers several key benefits, which include an attractive rate of interest starting from 7.75%, collateral-free loans of up to INR10 crore CGTMSE (Credit Guarantee Fund Trust for Micro and Small Enterprises) coverage, flexible repayment tenure of up to 120 months, pan-India financing coverage, reduced margin requirements (starting from 20%), and concessional processing fees.

As of August 2025, TPREL has successfully completed over 2.49 lakh rooftop solar installations, achieving a cumulative capacity exceeding 3.6 GWp. In the C&I segment, TPREL has catered to a diverse set of customers across various sectors viz – Hospitality, Automotive, Aviation, Education, HVAC, Chemical, Steel, Electronics, and Textiles, among others.

This collaboration underscores TPREL's commitment to accelerating clean energy adoption across industries and highlights Bank of Baroda's focus on strengthening green financing to support India's transition towards a low-carbon economy.

BANK OF BARODA PARTNERS WITH TATA POWER RENEWABLE ENERGY FOR MSME LOANS

BANKBARODA - 254 Change: 5.54 (2.23 %)

News: Bank of Baroda has partnered with Tata Power Renewable Energy to offer MSMEs collateral-free loans of up to ₹10 crore at 7.75% interest with a 10-year tenure for setting up solar projects of up to 10 MW. Supported by CGTMSE guarantee cover and concessional fees, the initiative aims to make rooftop solar more affordable, with TPREL already operating 2.49 lakh rooftop installations (3.6 GWp).

View: This partnership strengthens the bank's MSME expansion by enabling deeper penetration in a high-potential segment. The concessional structure, backed by CGTMSE, allows the bank to scale volumes while safeguarding asset quality and keeping it margin-accretive.
